

Klondike Hills Assisted Living

By Julia Twamley, Manager

Do you know that our Assisted Living is attached to the hospital and the medical clinic? You can do all of your local medical appointments without even having to go outside. If you are a resident, we have staff that can help with appointments and medication assistance, along with all the other services we provide.

We will be hosting our first “French Toast Tuesday” of the year on February 13th, from 7:30am to 9:00am. French Toast Tuesday’s are scheduled throughout 2018: February 13th, May 8th, August 14th, and November 13th. Klondike Hills also has afternoon tea at 3:00pm the first Tuesday of every month, as well as our version of

Paints & Pints with Linda once a month in our dining room. If you are interested please call and we can give you the date. It’s a smaller setting and we have people to help if needed (and yes, we do have the fun that only Linda can provide!).

We encourage you to stop by and check out our assisted living facility. We have staff that can give you a tour at any time - fresh coffee and cookies included! We do have a full house at this time, but we are always accepting applications.

We look forward to seeing you!
