

## Thank you Dr. AlRashedy

*By Ferry County Public Hospital District #1 Staff*

Dr. AlRashedy had his own private practice in Republic until 2003, at which time he joined the Republic Medical Clinic. During his time working for the District, Dr. AlRashedy performed surgeries, colonoscopies, endoscopies, delivered babies, and was a family doctor for many people in the community. Dr. AlRashedy also worked in the Emergency Room and was Chief of

Medical Staff for many years. Dr. AlRashedy's last day will be April 2nd, 2018.

Ferry County Hospital District would like to thank Dr. AlRashedy for his 26+ years of service and dedication to our District and our Community.

We wish him well in his future endeavors.
