Community Health Fair this Saturday

By Terali Stonehocker, Interim CEO

Ferry County Public Hospital District is recognizing "National Hospital Week" this year by sponsoring a community Health Fair at the hospital on Saturday, May 14th, from 10:00 a.m. until 2:00 p.m.

The goal of the Health Fair is to introduce some of the health care and health care related services that are available in our community so when services are needed patients and/or families know where to go.

Tables will be set up with information on the different agencies and District departments. There will be walking tours for the hospital, Assisted Living Facility and Republic Medical Clinic, door prizes and give away items. There are several scheduled activities including blood pressure checks, BMI calculations, agility course, child's bicycle safety, and much more. If you want to participate in the bicycle safety, please bring your child's bicycle.

The "Little Guys Wrestling" will be selling hot dogs and hamburgers for a fund raiser.

Admission to the Health Fair is free. If you have questions please call the hospital at 509-775-3333.
