PROCEDURE:

1. FCPHD's **Human Resources Department** is responsible for coordinating compliance with this Policy, including giving notice to and training all District Personnel on this Policy.
2. District Personnel will determine eligibility for and provide services, financial aid, and other benefits to all patients in a similar manner, without subjecting any individual to separate or different treatment on the basis of age, race, color, creed, ethnicity, religion, national origin, marital status, sex, sexual orientation, gender identity or expression, disability, veteran or military status, or any other basis prohibited by federal, state, or local law.
3. District Personnel will provide notices to patients regarding this Nondiscrimination Policy and Ferry County Public Hospital District's commitment to providing access to and the provision of services in a welcoming, nondiscriminatory manner.
4. At the time patients are notified of their patient rights, District Personnel will also inform each patient, or the patient's support person, including the patient's attorney in fact, when appropriate, of the patient's visitation rights, including any clinical restriction on those rights, and the patient's right, subject to the patient's consent, to receive visitors whom the patient designates, free of discrimination based upon age, race, color, creed, ethnicity, religion, national origin, marital status, sex, sexual orientation, gender identity or expression, disability, veteran or military status, or any other basis prohibited by federal, state, or local law.
